Comments:

"The best conference so far. Nice people. Excellent"

"An excellent conference. Overall agenda and venue was one of the best." Great conference!"

"Excellent Workshops"

"Learn so much in such short time allotted. Excellent speakers. Lots of information on agenda printed out"

"Excellent location = wonderful incentive. Good time to network"

"Really enjoyed and appreciated the diversity of views of the workshop presenters. Outstanding organization! One of the best organized conference I've attended, ever!"

"This is my first attending these seminars. I thoroughly was in awe of how this was coordinated and enjoyed the whole 2 days of workshops. I especially liked the keynote speaker Bill King. I certainly would recommend him for a "leadership" conference/seminar"

"The conference (all aspects) was awesome. The delegates and organizers were all friendly. Thank you and hats off for a job well done"

"As a new person to this field, the near future progress was enlightening to hear. Networking opportunity was great"

"I found workshops I attended especially Psychology of Vision (Leadership for Healing Communities), very informative and motivational. Overall excellent job!"
